HONOR YOUR MOTHER

Mother's Day was originally set aside as a special day to honor and show appreciation to mothers. Showing your gratitude and love on this designated day is important, but why should we wait for a special occasion to express our affection? A telephone call, card or short note done spontaneously, is always appreciated. Jesus was spontaneous. His first miracle was performed at the wedding in the town of Cana; His mother merely stated that the wedding party was out of wine. Jesus remarked that His time had not yet come, however, He knew His mother's desire and responded by changing the water into wine. Even when our Lord was dying on the cross, one of His concerns was that of His mother. He saw His mother and His disciple John, standing by and He said to His mother, "He is your son." Then He said to His disciple, "She is your mother." From that time the disciple took her as his own in his home.

She speaks with a gentle wisdom. She is always busy and looks after her family's needs. Her children show their appreciation, and her husband praises her.
