HOW DO WE REACT?

My wife went to a church service and while she was there, our car got a small scratch on the side of the fender. When she returned home, she was concerned about the damage and was apprehensive about my reaction. I tried to reassure her that this was not her fault and that no repair was even required on the car. I was more concerned about her level of anxiety related to telling me about the accident and wondered why she thought I would be upset. Apparently sometime in the past my reaction to a similar situation wasn't handled very well. How we react to different situations does affect those around us. It's nice to know that God always reacts perfectly when we go to Him with our feelings. He is always ready with His love, understanding, and forgiveness. The Bible tells us that once our sins are forgiven, God never even keeps account of them. God's grace is sufficient.

Ad# N967A175

Happy are those whose wrongs are forgiven,
whose sins are pardoned!
Happy is the person whose sins the Lord will not keep account of!
