

Help fight arthritis

If you've ever wanted to run away from Michigan's cruel January weather, the Arthritis Foundation, Southeast Michigan region, can help you run or walk to Bermuda.

The Arthritis Foundation, together with the Michigan Association-USA Track and Field, challenges you to make 1996 your year to train for a marathon. Candidates are now being recruited for the Joint in Motion training team that will go to the Bermuda International Marathon on January 19, 1997.

Running or marathon experience is not required. The Joint in Motion team will train anyone interested, from

the novice to the seasoned marathoner. Each runner will participate in a 20 week intensive training program with experienced marathon trainers.

Marilyn Moorhead, president of the Michigan Association, will lead the Southeast Michigan training program.

The only responsibility of each runner is to raise a minimum of \$3,000 for the Arthritis Foundation in honor of someone who has arthritis.

The foundation will provide each marathoner airfare to Bermuda, four days and three nights hotel, and entry fee.

For more information, call the Arthritis Foundation at (810) 350-3030.
