## Compassionate care

At the Providence Center for Breast Care, we know that a diagnosis of breast cancer can turn your world upside down. We provide timely information, support, diagnosis and treatment in a compassionate, caring environment.

## Coordinated care

With one call to the Center, you eliminate the delay between diagnosis and treatment—that means treatment is underway in days rather than weeks or months. A clinical nurse specialist will answer your initial questions and schedule diagnostic tests, providing results to the Breast Care group. During your initial visit, the oncology specialists—surgeons, medical and radiation oncologists, plastic surgeons, oncology nurses and social workers—together with you, develop treatment plan options.

## Comprehensive care

Our oncology physicians are nationally known in cancer treatment and research. Providence is affiliated with leading oncology research and treatment programs and with the Radiation Oncology program at the University of Michigan Medical Center. You will receive the most advanced and sophisticated cancer-fighting technologies available.

## Convenient care

Best of all, you can receive care close to home with locations in Southfield and Novi. Our goal is helping you to regain control of your world with compassionate and quality care—a Providence tradition for more than 150 years.
