PART-TIME RELIGION

Whenever we have a medical or dental problem, it's always a good policy to see our doctor or dentist. We don't usually see or talk to medical personnel unless we have a problem that requires their attention. Sometimes our relationship with our Lord is similar to that. We only pray or talk to God whenever we have a problem. Once the problem is resolved, we sometimes neglect to pray or thank Him for His goodness to us. Our relationship with God should be on a more personal, ongoing basis, like that of a family member that we are always conversing with. A family member or friend would probably be hurt if we only turned to them when we needed something. God is good and forgiving, and is always there when we need Him, but He also likes to hear from us when we're joyful, happy, and content.

Be joyful always, pray at all times. Be thankful in all circumstances. This is what God wants from you in your life in union with Christ Jesus.
Good News Bible 1 Thess 5:16-18
