Vacation Time
For the office worker, the student, the homemaker, or whatever one's field of endeavor might be, it's always nice to take a vacation. A much needed break from daily routine is just what is needed to rejuvenate us in this hectic world of ours. After a period of rest and relaxation from the anxieties of everyday life, you'll be ready to face life with new vigor. One thing however, we should never take a vacation from our relationship with our Heavenly Father. We should realize that God is there for us seven days a week, both night and day, waiting to hear from us with our praise and desires. God is never on vacation, so go ahead and take that long deserved break. It doesn't matter if your vacation is for three days or for three weeks, just remember to always bring God along.

Come to me, all of you who are tired from carrying heavy loads, and I will give you rest.
