## CHAPTER XXI.

A Bar of 80ap. Late that evening Betty Mercer and Dallas were writing verses of condo-lence to be signed by all of us and put under the door into Jim's room when Bella came running down the color

stairs. Dal was reading the first verse when she came. "Listen to this, Bella," he said triumphantly:

There was a fat artist named Jas, Who cruelly called his friends nam. When, altho' shut up tight, He broke out over night. With a rash that is maddening, he

ther, however, and trailed the nonde-script article up the stairs. We could only gaze after him and wonder what it s i meant. it. aclave lasted far into the

eff again at once. Then a now erity planation occurred to more. Suppose it is had been Bella all the time, and the risal shock had heen to find that shee that been mairied! I into full of the situation was realized to the situation was realized and the realized been may be any anuscence. The situation was realized as the situation and the situation was realized as the situation was realized by minor. The situation was realized as the situation was realized as the situation was realized by the situation of the situa

enough, but in a minute we feard her gjing back. Anno grew perfectify whito. "He's lying on the upper stairs!" Betty cried, and wo all ran out. It was putte true. Dal was lying on the stairs in a bath-robe, with one of Jim"s Indian war-clubs in his hand. And he was sound agleen.

Indian war-clubs in his hand. And ho was sound ablep. He looked somewhat embarrased when he Yoused and saw us standing around. He said he was going to piry a practickly joko on somebody and fell asleep in the middle of it. And Alan and yean back is even an leutemper. Bat and years have the same of the same of the same in the same of the same of the and went have the same of the and dia' say much. The situation was beyond us.

say mich. The animator was brief The dector led lim out next day, there baring been nothing the matter with him but a stomaters. But lim) was charged; he mooned around Bella.vof course, as before, but he was abstracted at times, and all that dy-Sundar-he wandered off by himself. Sunday-Be wandered off by himself. and one would come across him un-expectedly in the basement or along some of the unnsed back halls. } Aunt Selina held service that mort-hg. Jim said that he always had a (rayer-book, but that he couldn't find

at standily. It was indra finites to have a started in and then to and him interested in have been started in and then to and him interested in have been started in and then to have here and the started in and then the started in and

arment. But it was quite unnecessary tor him to have blanch his refusal, as he did, on Mr. Harbison.
