TIME TO EXIL (E)

You hardly meed to be a Of course getting to the aftar is governess with a wealthy widow-scholar to figure out early on who will marry who will marry who by the end of the new movie "Emma." If you've seen the Austen adaptations, even the Austen inspired will was a consistent of the recent Austen inspired teen movie you know that the will end up with the

Scheduled to open Friday, August 9

\*JACK\*\* Bittersweet comedy about a 10-year-old boy with a genetic dysfunction that ages only his body, but not his mind. Directed by Francis Ford Coppola, stars Robin Williams, Fran

ing, she, says. Only poverty can make you an old maid Part of your enjoyment of the movie will depend on how much you like the title heroine. A vocal audience member during a preview screening loudly wished that Emma wouldn't end up happy at all, using the B-word (it want's husybody) to describe her personality.

True, you can get frustrated with the moneyed landholders in Austen's novels who have nothing better to do than worry about the romantic entanglements of others.

For me Emma irresistible After the somewhat marryred main heroines in those other Austens, she is almost refreshing in her weaknesses Paltrow, seen

splash in "Muricl's Wedding," brings a sincere nerdiness to Miss Smith while Jeremy Northam typifies 19th century

Northam typifies 19th century stendifastness as Emma's older friend and confidante.

Ultimately, Emma' is escapisatentertainment for the literpite, who find steeping themselves in the social crises of others as cathartic as saving the world from alien invasion. And with the movie's guaranteed success, the new breed of Austen lans will be glad to know that she has other novels just waiting for the big screen.
