

## Because summer vacation isn't always a day at the beach...

For a child, summertime means long days by the pool, playing in the park, and riding bikes. For a parent, it means taking care of your child's sunburns, bug bites, bumps, bruises, cuts, and other medical needs. There's nothing quite like summer vacation.

But don't worry. Oakwood Healthcare Centers are eager to help make summer vacation as carefree for you as it is for your child. Our primary care physicians specialize in pediatrics, as well as family practice and internal medicine. And all of our healthcare centers offer diagnostic and treatment services on-site.

All in one location and right in your neighborhood. We even offer convenient extended hours to help accommodate your family's busy schedule. And you can count on us because we're backed by Oakwood Healthcare System, one of the most comprehensive healthcare systems in Southeastern Michigan.

Let Oakwood help make every day feel like a day at the beach. Without the sunburn.

For more information on the Oakwood Healthcare Center nearest you or on any Oakwood physician, simply call 1-800-543-WELL.

As our special summer gift to you, call 1-800-543-WELL or stop by your nearest Oakwood Healthcare Center to receive a FREE First Aid Reference Guide. It's the essential parents' guide to handling those summertime emergencies.

Our Oakwood Healthcare Centers accept most types of insurance, including SelectCare, Blue Care Network and M-Care.

## Focus on producing your own programs

### CABLE CONNECTION

MARY LINDA CALDERONE

Don't just view TV, do TV. If you live, work or are affiliated with a non-profit organization in Farmington Hills, Farmington or Novi, you have access to INFO TV-12, a cable television channel.

You can produce your own non-profit community oriented television programs. There is no charge for use of the facilities or equipment.

Attend an orientation workshop at the SWOCC/INFO TV-12 studio and find out what it's all about.

Orientation workshops are coming up on Thursday, Aug. 29, Tuesday, Sept. 24, and Wednesday, Oct. 23, from 7-9 p.m. In this one night session, we'll convince you what a great community resource you have at your fingertips.

Instruction includes an introduction to community television. We'll tell you how you can create television programming and what this powerful medium can do for you. You'll tour our TV studio too.

In the studio workshop, you learn to produce your own TV program and operate the equipment in the studio. Become proficient at taking the portable

equipment out and shooting on location in the remote workshop. These three hour sessions that meet four times within a month offer expert guidance and "hands on" experience in all of these areas: camera, lighting, audio, scripting, technical directing, set design, editing and pre-production planning.

Graduates of Time Warner's studio workshop, have access to the SWOCC/INFO TV-12 studio. We offer advanced studio classes, editing, directing, technical directing and amiga computer workshops.

So, if you've harbored dreams about being involved in television production, there is a way to do it. Call Donnell Ziedman at 473-7288 and sign up for an orientation workshop. Space is limited. So call today.

Mark your calendar, too. Don't miss the INFO TV-12 open house: Your Door To Community TV on Thursday, Oct. 10, from 4-8 p.m. at 24021 Research Drive in the Farmington Hills Freeway Industrial Park. See you on TV.

The next SWOCC meeting is Tuesday, Sept. 3, at 4:30 p.m. at Farmington City Hall, Liberty and Grand River.

The next CAC meeting is Tuesday, Sept. 17, at 7 p.m. at SWOCC Headquarters on Research Drive.

Mary Linda Calderone is the Community Outreach Coordinator for the Southwestern Oakland Cable Commission.

### CAMPUS PIPELINE

If you have news from a college, university or other campus of higher education... and there's a Farmington-area connection... we'd like to hear from you. Send items to: Campus Pipeline, 33411 Grand River, Farmington 48335.

### Volunteers needed for youth center

The Farmington Hills Area Youth Services Program is looking for volunteers to work with the After School Youth Center Program at the William M. Costick Activities Center when it reopens Tuesday, Sept. 3.

The program for middle school age students operates Monday through Friday afternoons throughout the school year.

"We believe the participation

of parents, community leaders, teachers and students will enhance the progress of our youth," said Todd Lipe, program supervisor.

Volunteers work 2-6 p.m. Any one over 18 years of age who can interact positively with all individuals is invited to help with this community program.

Call 473-1841 or 458-3811 for more information.
