Planning Ahead

Usually, when we are planning an automobile trip, we get a map and try to plan out the best route for our journey. We also have to plan on our expenses, and if we are staying at some resort or hotel, we must make reservations to ensure a place to stay when we arrive at our destination. It also seems wise to plan ahead for things like an education, a marriage, and for our retirement. One important thing we should be sure to plan ahead for is our destination after we die. Although there is always room in heaven for each of us, we must be sure that the life we live on earth will assure us of attaining that glorious eternal destination. Not only should we accept Jesus as our personal Savior, we should also be genuinely repentant of our wrongdoings and try to refrain from sin.

For God so loved the world, that he gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.
