with them as opposed to just having a fact finder folder or video of their child at home," said Cottrell. Presentations to students via achool sponsored assemblies is, another way Safe-T-Child is bringing tips to the local popula-tion. Cottrell uses a three-foot yellow dinosaur that sports sun-glasses to entrain the kids. "He's a cross between the Fong and Schwartzenager," smiled Cottrell's presentation include how to dial 911, how to go with their own instincts and how to get out of a situation they feel uncomfortable in as well as sengs that tout the lyrics, "my body is mine." "All of the songs have a hook line that child will remember when they go in that situation," said Cottrell. "Studies have shown that a chid can remember 90 percent of what they say and do as oppased to what they just ace and hear."

and hear." Getting parents to be equally attentive to the idea that unfor-tunately there are strangers out there who will harm there child is another story for Coitrell. Many people still have the notion that stranger encounters and abductions don't happen 'in their neighborhoods, 'she said.

Big Boy from page D1

Or Visit Unit mouse out from p Or visit the mouse out there or a little girth-reduction, even though we love him just as he is. Take a brief sabbatical to visit Los Angelss, where he'll petition the Hollywood Chamber of Commerce for his "star" on the walk of Fame. Or visit that mouse out there in California and Florida. The see unlike Big Boy to take a day off. I'm sure he'll call us here at Big Boy headquarters as soon as he's estitled into a comfy hotel.

Virtual site: EDS and Prosolvia have joined forces in forming the Virutal Reality Institute. Reality Institute. technologies that have been rapidly evolving toward becoming efficient product develop-ment and process re-engineering tools," adid Mats Johaneson, president of Prosolvia. However, many companies have been restrained in their use of these dynamic technical tools because of a scarcity of trained personnel. The center will focus on creating an environment in which students can use new tools and processes applied to several types of projects. Datorio Virtual Reality Center, said: "Stu-dents at the VRI will have the opportunity to work on real-world problems with instruc-tors who have created VR solutions for other submets and the VRI will have the opportunity to work on real-world problems with instruc-tors who have created VR solutions for other submets. It will end up at a major hospital in the area when completed. Holing back Virtual Reality from greater use in the commercial world is acceptance in the marketplace and the lack of trained per-sonnel, said Vickers. There is more news to come from the institute, sooner than later. Reality Institute.

dent. The site includes a schedule of events, Top 10 censored stories of 1995, an online discussion forum for all that's "green" and past interviews with Nader as far back as 1976.

past interviews with Nader as lar back as •While the question remains open as to whether Ross Forto will or won't run - Dick Lamm remains the Reform Party's Presiden-tial candidate. His official site clearly at http://www.lamm@6.org depicts Lamm's areas of interest, his intentions, and ral-lies/opperances. Visitors may also find out which political figures are endorsing him, and participate in an OmlineThird Party poll. • Most of us could benefit from The Dollar Stretcher at http://www.stretcher.com/dol-lar/. Far more than a weckly column. Gary Foreman focuses on saving your family woney.

Foreman focuses on saving your family money. With a slew of helpful articles, you'll find plenty of the through features like Haw to Avoid Credit Repair Fraud; How to Keep cool this Summer; and Creating an Afford-able Children's Birthday Party. • And finally an Internet Discussion List on TWA Flight 800 cm be reviewed at http://www.lsch.com/flight-800.html. The mailing list for discussing the Flight 800 ar-line disaster. is named FLIGHT-800. The mailing list will serve both as a news which and as a virtual forum for the discussion of the steps needed to prevent further incidents of this nature. Press clips will be posted to the mailing

of this nature. Press clips will be posted to the mailing list as they become available (courtesy of PR Newswire). To browse the list's thread of discussions on the Web, visit their site listed above.
