AUTUMN - A BEAUTIFUL TIME OF YEAR

God creates many beautiful things for us through nature: a breathtaking sunrise or sunset; a shimmering star-filled night; a rainbow after a gentle rain. The different seasons of the year are also spectacular; however, autumn is, in my opinion, the most beautiful. The leaves changing on a daily basis from green to pink, orange or red, signifies the trees are getting ready to "sleep" for a period of time. And the leaves falling to the ground is nature's way of making the soil ready for next year's growth. It is important for our own well-being to appreciate God's retreats from our hectic and arduous lives of today. God's beauty is all around us, just waiting to be discovered. Don't let the concerns of the world distract us from His beauty.

How wonderful are the things the Lord does!
All who are delighted with them
want to understand them.
— Good News Bible Psalm 111:2
