

LELAND & LEELANAU COUNTY

Taste The Wine

Nestled on a narrow sliver of land between Lake Michigan and Lake Leelanau, Leland is a picturesque town in the heart of the beautiful Leelanau Peninsula.

Leland blends the heritage of a 130-year-old fishing village with the subtle sophistication of modern life.

The village boasts excellent shops, restaurants, and a wide variety of entertainment possibilities, from the historic fishing shanties to antique book, clothing, and galleries along Main Street. Nearby are farm markets, prize winning wineries, vineyards, golf courses, and the stunning Bear Dunes National Lakeshore.
