

Fifteen Hospitals And 2000 Physicians. Now Available In Wallet Size.

It's just a single piece of plastic. But you will find the healing power it offers is actually quite impressive. As a cardholder in the DMC CARE health plan, you'll benefit from a network of 15 hospitals and more than 2000 community-based physicians throughout the tri-county area. And because DMC CARE is sponsored by The Detroit Medical Center, you have the added benefit of

the DMC's partnership with Wayne State University School of Medicine. So it goes without saying this card entitles you to advanced medicine from one of the most highly regarded provider networks in the nation. Besides, how else are you going to carry 2000 physicians around with you in your wallet? To learn more, please call us at (313) 874-1170.

School's play area 'refreshed'

Gill Elementary School parents and four area businesses donated supplies and volunteered to rejuvenate the playground area as part of "Refresh the Gill Kid Kingdom" Sept. 28 and Oct. 5.

The structure was built in 1992 by Gill parents and community. Farmington Public Schools continues to provide some maintenance.

Playground equipment received a power washing courtesy of the Farmington Hills Fire Department. Volunteers also did

some sanding and put a sealer on the wooden structure itself.

Gravel was leveled off surrounding the structure and fixtures were upgraded. Eventually, organizers want to raise the brick walkway, which gets flooded when there is inclement

weather.

Along with the Gill PTA and Hills Fire Department, other businesses lending a hand included: Home Depot, Fendit Building Supply, Olympic Overcoat, Arts Rental, and Exotic Rubber & Plastics.
