

## 4 Steps to Project Success

### 1. HOW-TO CLINICS

See back  
page for a  
schedule of  
upcoming  
clinics.

If you're not exactly sure how to tackle that next project, just keep an eye on our FREE How-to Clinics. Learn everything you need to know from our professionals.

### 2. CUSTOM DESIGN

We can help custom design your kitchen, bath, or deck with our design computers. See how your project will look before you start! Just call for an appointment.

### 3. SPECIAL ORDERS

Don't see exactly what you like in stock? We can SPECIAL ORDER 1000's of items in the sizes, styles, and colors you've always wanted! If we don't have it, we can get it.

### 4. WE DELIVER

Need help getting your purchase home? Let us arrange delivery to your curb or jobsite! We offer competitive rates and guarantee our service. See store for details.
