

*If it's time to change colors,  
Don't miss our do-it-yourself demo day  
Saturday, Nov. 9, 8:30 am - 5 pm  
or our month long savings spree!*

## Decorator Block Sensations

Fancy Color's staff expert, will show you how fast and easy it is to create not only a dynamic design, but also a unique addition to any room with decorator blocks. They're even more adaptable, less messy and more exciting than the traditional stencil patterns. She will also discuss the blending of colors and compatibility of paint types. Don't miss it.

## Window Wonders

Fancy Color's resident decorator will demonstrate the ease of adding pizzazz to any style, shape or size of window. We'll show you many of the new window jewelry items, tell you about the trends in window treatments, and actually transform a plain pane into a power-packed highlight of any room.

Half off house call bookings!

## Faux Flair

One of Fancy Color's masters of the sponge and rag will show you new ways to add fantasy finishes to any wall, ceiling, floor or piece of furniture. Leather, layered and smooshed are just a few of the artisan finishes in which she will illustrate do-it-yourself techniques that are guaranteed to create raves and lots of personal pride of accomplishment.

4 off any gal. Benj. Moore  
Glazing Liquid or 1 off Qt.

## Accessory Excitement

You'll be as enthralled as we are with all the new items that help to add character and class to a room once the painting and window treatments are in place. We'll show you how to combine objects for interest; how to integrate special mementos that are already in place; and, how to turn both plain and already exciting rooms into show stoppers.
