

Senate next to address bowling bill

AL HARRISON
The time has arrived for the Michigan Senate to make its move on the bowling bill (H.B. 147), which passed easily in the House of Representatives a couple of weeks ago.

It must first go to the Senate Regulatory Committee, which is chaired by Senator William Schutte. It is up to this

committee to get the bill to the floor.
■ If you read last week's column, I bowled a 299 game in a "Bowl-A-Thon" fundraiser for Evergreen Children's Services. Now the rest of the story. I did leave one pin standing — the head pin. Please, no more questions.
■ For those who like to participate in fundraisers, here comes one such event, the first Salvation Army Bowl-A-Thon, which will take place late night Saturday, Dec. 14 at Westland Bowl. The check-in time is 11:30 p.m., with bowling starting at mid-

night.
A minimum pin pledges is required for participation with prizes awarded to top collectors. Everybody knows about the Salvation Army and the good things they do for the needy, so it shouldn't take much encouragement to get lots of people to participate.

The format will be 9-pin "no-top," which makes for more fun in an event such as this. So get some friends and bowling pals together and help make this first-ever become an annual event at Westland Bowl.

For more information and pledge sheets, call Michael Capaldi at (313) 722-7670 or Salvation Army Capt. Mark Welsh at (313) 722-3660.

Our group of family practice physicians are board certified in their field. They provide a full range of medical services including gynecology and pediatrics. The "no scalpel" vasectomy is a procedure available at our office. In addition, some of our physicians have special training in holistic and alternative medicine. This includes vitamin and nutritional therapy, manipulation, acupuncture and hypnosis.

We offer evening hours and Saturday appointments to accommodate our patients' busy lifestyle.
