

**TODAY WE PLANNED TO
BRING YOU A RADIO MESSAGE**

BUT...

**WE MADE TWO COMMERCIALS FOR THE RADIO, BUT
NO STATION IN TOWN WANTS YOU TO HEAR THEM.**

**Please Take A Minute After Supper Tonight To Read Our
Script And Share It With Your Family And Your Friends**

**"For the past six years there has been labor management peace between
Fox TV and NABET-CWA Local 43. That peace has been broken by the new
owner of Fox-2 - Rupert Murdoch.**

**The same Rupert Murdoch who offered Newt Gingrich a \$4 Million book
contract and who has a history of breaking unions in his native Australia,
England, Canada and in the U.S.**

**Let's send Mr. Murdoch a clear message. This is Detroit - not Sydney, London
or Toronto. Detroit is a city of working people who stand up for each other.**
