The Shamrocks, expected to be a Class A state title centender, dominated the host Cranes, a perennial Class B power, in every phase of the game are noute to a 6-0 victory. CC utilized its size, speed, strength and toughness against a team not used to being controlled in such an easy manner. Veteran Shamrock coach Gordic St. John indicated it was his team's best game of the season and must continue that style of play if CC is to continue being successful.
