Not valid for special events, reduced or group rates. Duplications or facsimiles of this coupon will not be accepted. Not valid with other discount offers.

OAKLAND COUNTY PARKS

FARMINGTON PUBLIC SCHOOLS-PUBLIC NOTIFICATION TECHNICAL EDUCATION CURRICULUM 1997-98

Each year the Farmington Public Schools offer Technical programs at Farmington (FHS), Harrison (HHS), North Farmington (NFHS) High School and at the Oakland Technical Center Southwest Campus (OTC-SW) in Wallis Lake. Within the District a shuttle bus transports students from their high school to another building. No class time is lost. These programs are designed to prepare youth for a broad range of employment and continuing education opportunities. They are offered under the guidance of certified instructors, counselors and cooperative education coordinators. The curriculum is technologically up to date, the equipment is representative of the "state of the art" in business and industry and the laboratories are of optimum size appropriately designed.

If a program is offered at OTC-SW and at the home high school, students are asked to enroll in the home high school for the first year and then transfer to OTC-SW for the advanced program during the second year. NF & HHS students leave at 7:25 a.m. and arrive at OTC-SW at 8:00 a.m. They leave OTC-SW at 10:15 and return to their home high school by 10:40 a.m. FHS students also leave at 7:25, depart OTC-SW at 10:15 and return to FHS by 10:40 a.m. Listed below are the programs being offered this year, their location and their prerequisites.

Nutrition	NONE	9-12
Interior Design	NONE	10-12
Personal Finance (Math Credit)	NONE	11-12
On Your Own (FHS only)	NONE	12

For Specific Information about the above programs, you may call the Guidance Office at the respective building, Farmington High School (489-3447), Harrison High School (489-3354) and North Farmington High School (489-3551). In keeping with the Farmington Board of Education policy on non-discrimination, students have equal access to all technical and life management programs regardless of race, religion, handicap, color, sex or national origin. In addition, the lack of English language shall not be a barrier to admission or participation. For general information about these programs, contact Terry Klenzner, Director, Applied Technology & Career Development, 32789 W. Ten Mile Rd., Farmington (489-3386). Inquiries: Shawanese, Farmington (489-3349). Questions concerning equal opportunities for the handicapped should be directed to: Janice Richards, Section 504 Coordinator at 32789 W. Ten Mile, Farmington (489-3366). Inquiries concerning discrimination on the basis of race, color or national origin may be directed to Larry Lobert, Title VI Coordinator, 32500 Shawanese, Farmington, MI (489-3357).
