Q. So what's involved in setting up a private detec-tive agency? Can anybody do it?

107 A. Well there are several ways to get a license here in Michigan. It's a very controlled state, some states don't require a license you just hand your sign out front but in Michigan it's very controlled and licenses are issued by the Michigan State Police.

Q. How do you qualify for the license? A. "Well there's a list of eight

criteria to meet

Some of those include the individual being a citizen, at least 18 years of age with no felony convictions and two years telony convictions and two years experience with a private agen-cy or experience as a police offi-cer or member of the federal bureau of investigations.
