Chapel arrangements: The Victoria Wedding Chapel in Waterford offers couples the backdrop of a French Mediterranean villa on Silver Lake.

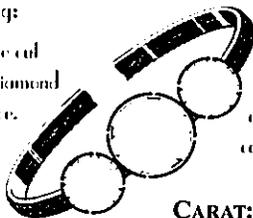

Bridal TRIVIA

THE DIAMOND RING

There are four "Cs" for selecting the right diamond for your engagement ring:

CUT: The cut gives the diamond its brilliance.

CLARITY: Inclusions are the imperfections captured in the stone. A flawless diamond is very rare.

COLOR: The diamond's color is determined by its closeness to colorlessness.

CARAT: The weight of the diamond. There are 100 points in a carat.

CAPELLI THREE-STEP BRIDAL MAKE-UP

We love to cater to brides! This package will get the bride-to-be ready for The Big Day:

Step 1 - The Make-up Rehearsal

This is the "trial run", first we'll discuss the look you want; then select colours and apply makeup so on your wedding day, there are no surprises.

Step 2 - Announcement Photo Makeup

On your second visit, we'll use special make-up techniques for photography, so you look picture-perfect.

Step 3 - Wedding Day Makeup

On The Big Day, we'll apply your makeup according to your Makeup Rehearsal. A tube of lipstick in your wedding day colour is our gift to you.

WEDDING HAIR DESIGN AND MAKEUP
