

# Where can I find?

Thanks to all the readers who phoned in locations for the hard to find items listed last week.

- We had three callers willing to part with copies of *Warner's English Composition and Grammar Complete Course* and they were put in touch with the searcher.
- Judy Trumbull of Trumbull's Antiques in Royal Oak said she's collected Woodward memorabilia for years and has many restaurant photos for John Jamian. She welcomes inquiries at (810) 584-0006.
- Three callers responded to the quest for Mike Douglas' recording of "Happy Birthday Jesus." Marie said Hammell Music (Middlebelt, north of Five Mile) has a copy of the words inside *The Reader's Digest Christmas Book*, which must be special-ordered. Alan said the Temple Baptist Church in Detroit used the song during a holiday choral program and the music director had the words.
- One reader suggested owners of rain lamps use the heavy mineral oil *Lub Laxative* sold in drugstores. "That's what I used in mine, successfully," she reported.

## We still need to find:

- Old restaurant photos, menus, signs and other memorabilia for a history book on the Woodward Corridor by John Jamian. Specifically, he wants information about the old Corning's, Ted's Drive-In, Devon Gables and May's Drive-In. He welcomes information at (810) 540-0605.
- Paula MacCue hopes to quickly locate an antique "Boy Scouts in the Wilderness," which is part of an old collection for a shopping buddy.
- Sarah Suzman is looking for a store that sells snack tables with trays of Lucite or glass.
- Victoria Kulis is trying to track down an old black and white videotape "March of the Wooden Soldiers," by either Laurel and Hardy or Abbott and Costello.
- Roz Novak needs a copy of Danny Kaye singing "Mamma, Give Me a Drink of Water."
- Terry Brown hopes to find an out of print book by Marjorie Cahn Bruzer *Well Savored Passage: A Guide to Lake Huron's North Channel*.
- "Jennifer" wants to know who sells clothing by *Smooth Ones*.
- Toni Trudell is looking for a phone number for Eddie Jay's Art-O-Graph Co. of Royal Oak. She has autographs she wants appraised.
- A reader is looking for a copy of "Boy on a Dolphin" by David Devine.
- Ever see Magic Baking Powder made by Nabisco of Toronto on your grocery shelf? A caller doesn't want to travel to Canada any more to buy it.
- A Birmingham resident can't find the Almay hypo-allergenic all-over body splash that she used to buy at Montgomery Ward's.
- Marion Rosinski of Canton is looking for a retailer who sells "Maine Woods" shoes. "I bought a pair at T.J. Maxx and they are the most comfortable shoes I've ever worn."
- Two callers are looking for out-of-print sheet patterns - king-size flat sheets from Martex in the Trade Blanket pattern, Wamsutta king-size sheets and pillow cases in the Textura pattern.

If you've seen any of these items in your travels, let Malls & Mainstreets know and we'll print the answers. Please call (810) 901-2567 (and relate your message and phone number slowly).
