

GOOD LIVER REMEDY FREE

When you suffer from any form of indigestion it is always well to take something for the liver, as usually the trouble lies there. If you are bilious, have a bloated feeling after eating, if you feel, if your skin is yellowish you may be sure it is liver trouble. What you need is something to stir up the liver, to arouse the gastric juices so that they will aid in the digestion of your food. A very good remedy for this, and one highly recommended by those who have used it, is Dr. Caldwell's Syrup Pepsin, which you can obtain at any druggist at fifty cents or a dollar a bottle. But if you have any doubt about its merits, and would prefer to try it first, send your address to Dr. Caldwell and he will promptly send you a free sample bottle.

Of this remarkable cure for stomach, liver and bowel troubles through a free sample. Mrs. Frank Lilly of Plainview, Ill., sent for one and it cured her and she is open in saying that she will never take pills or strong cathartics again, as Syrup Pepsin acts so mildly. Mr. W. L. Bryant, the Postmaster at Sardis, Tenn., says he will never be without it again. No sick person can afford to ignore a remedy so highly endorsed as this. It is good for all the family from infancy to old age, because it is mild, free from gripping and yet promptly effective. Furthermore, results are absolutely guaranteed or money will be refunded.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building Monticello, Ill.
