

Hair 'cut-a-thon' for transplant fund

M a n o Design, in the Rainbow Square shopping center on 12 Mile west of Midtown will offer customers a deal on a haircut and a way to help someone in need.

From 11 a.m. to 5 p.m. on July 13, all wet haircuts will be \$10 for ages 11 and older and \$5 for 10 and under, said Conno Nadon, who is organizing the "cut-a-thon."

The money raised will go to the Andrea Slayton Transplant Fund to pay for a pancreas transplant.

"She's a friend," said Nadon, who added that door prizes, refreshments and a 50-60 raffle will also be part of the event.

UPON FURTHER EXAMINATION

Statistically speaking, only 43% of Americans over the age of 65 visit their dentists for routine examinations and cleanings. The other 57% delay their visits until they can no longer bear the pain of a toothache. At that point, the care required is likely to be both invasive and more costly. Moreover, many older adults have dental conditions, of which they are not aware, that can compromise overall health and the ability to eat a healthy diet. Studies show that while only 42% of older adults believe they have a dental problem that requires treatment, more than 70% have such conditions as ill-fitting dentures, gum disease, or cavities that can make eating difficult. These problems should be addressed before they lead to further difficulties.

At LIVONIA VILLAGE DENTAL ASSOCIATES, we stress preventive health care for the entire family. We invite you to call 478-2110 to schedule an appointment for experienced and comprehensive dentistry. We're located at 19171 Merriman Road, where we feel a deep responsibility and commitment to provide the very best care with state-of-the-art technology. We strive to teach you good oral hygiene. In the long run, you will have better dental health. Smiles are our business.
