He found a \$185,000 condo in the trash.

Patricia Shea, vice president of Rock Homes is used to having people learn about Shire of Hamlet Village Condominiums from relatives, friends or from people who drive by and stop in.

She also gets great response to her advertisements in the New Homes section. But in her 16 years in the business, she's never had someone discover one of her developments in the trash.

But there it was, crumpled up in the waste basket at the YMCA. Our newspaper.

With a feature story about Rock Homes.

Someone had enjoyed their hometown news and then put it in the right place at the right time to be discovered by a gentleman headed for the steam room and looking for something to read while there.

He found and bought just what he and his wife had spent months looking for—a condo at Shire of Hamlet Village.

Is there a message hidden here? Could be.

Perhaps it's that you never know where you'll find what you've been searching for.

Or maybe it's not that cosmic. Maybe it's that you will save yourself a lot of looking when you have your hometown newspaper delivered right to your doorstep.
