a) Do dogwood trees have the best bark?

b) Can a bird's nest be considered a trechouse?

c) Whose network of hospitals just branched out again?

At HAP, we've added Beaumont hospitals to our Cakland County network. This builds on our already extensive list of providers including Henry Ford Medical Centers, Providence Hospital and Medical Centers, Botsford General Hospital, Crittenton Hospital, St. Joseph Mercy Hospital — Oakland, and Pontiac Osteopathic Hospital. And with Beaumont's reputation for quality health care, HAP now offers more outstanding coverage. We're growing to meet the needs of your family. After all, you shouldn't have to spend a lot of time thinking about health care. That's what we do. For more information, call us at 313-872-8100.
