Strive To Be Patient

In today's world, it seems we are all so busy that we don't want to wait even a few minutes for anything. We become impatient on checkout lines, at automatic teller machines, in the doctor's office, and so on. Perhaps, we should just try to understand that there will always be situations in our daily lives that will require some waiting. During a waiting situation, possibly we should just try to relax and tell ourselves that our Lord may want us to pray silently for someone. Also, sometimes just talking to a person next to us makes waiting easier and helps to pass the time. A few silent prayers, a pleasant word spoken to someone, or just relaxing can make any waiting situation better. God wants us to demonstrate His love by being tolerant and patient with each other. Patience is a virtue and a gift from God.

Be always humble, gentle, and patient.
Show your love by being tolerant with one another.
