**Be Flexible And Learn To Adapt**

Every day should be exciting and challenging to us, and it is important that we are flexible and learn to adapt to our changing daily routine. One of "Murphy's Laws," is that nothing ever happens as planned and this is continuously proven to us on a regular basis. Many times during the day, we may be interrupted by unforeseen events that may cause us to change our plans. The important thing is how we react to changing situations. Sometimes serious emergencies that arise can cause us to put everything into proper perspective. For example, adapting to everyday minor changes can not compare to the challenges associated with a serious health problem. Love and faith in God, can help us function effectively in our daily lives. As Psalm 91 tells us, we can say, "You are my God. You are my defender and protector; in you I trust."

Trust in the Lord with all your heart.  
Never rely on what you think you know.  
Remember the Lord in everything you do,  
and He will show you the right way.  
Good News Bible - Proverbs 3:5,6
