**Easter Sunday**  
The Easter season is a time of awakening and rebirth. Spring is in the air, and trees and plants are budding, making everything seem to come alive again for this special holiday. Young children, who may not fully understand the true meaning of Easter, look forward to jelly beans and Easter baskets. Easter is a good time for reflection and nurturing of our faith, and we all should be aware of how good God is to us. Attending church services and enjoying the fellowship of family and friends is important during the Easter season. Just as we may give Easter gifts to our children, God has given a special gift to us. God loves us so much that he gave his only begotten son to die on the cross and to rise again on Easter so that we may have eternal life.  
*The Son of Man must be handed over to sinful men, be crucified, and three days later rise to life.*
