

# It's Not Too Late To Repeal Casino Gambling In Detroit

You can do it with a pen and a pair of scissors. But you must act now.

Thanks to growing public support statewide, "The Coalition to Repeal Proposal E" already has collected more than 200,000 petition signatures. We need 200,000 more by 3:00 pm, Friday, June 12, 1998.

**Mitch Albom, Free Press sports columnist and WJR radio personality, recently wrote:**

There is a bold move to undo the damage, to repeal Proposal E, which opened the floodgates to gambling in the first place. It still can be done. But in order to repeal it, it must first be put back on the ballot in November. There are only a few days left to sign that petition. For the good of our future, I suggest we do so now. It's our last chance.
