## The Importance Of Daily Prayer

Praising and thanking God, and bringing our requests to Him on a daily basis, are important and necessary for us to have a fulfilling life. Prayer can strengthen us in times of trouble, and will bless us in times of joy. At times, we probably all have felt like the Philosopher, in the book of Ecclesiastes, who states that "life is useless". He was a good man, however, it still troubled him because he did not understand the ways of God. And although it really is not necessary to understand God's ways, it is important to have a loving and trusting relationship with Him. Our Father in heaven has created us in His likeness and He has everything under His control. Life is good and useful. Prayer, in the morning and throughout the day, and before we go to sleep, will strengthen our confidence and help us to know that we are not alone. God is with us.

The Lord is pleased when good men pray...
