What We Can Do For Our Country

When we are conscientious in our work and perform to the best of our ability, we are not only helping ourselves, we are also helping our country. Likewise, whenever we are being critical of American worshipship, we are being critical of ourselves. Like former President Kennedy once said, "Ask not what your country can do for you, but what you can do for your country."

It is essential that everyone who is able, should take the responsibility to improve their skills and do good work. When mistakes occur, we should correct them, and each day we should have a good feeling that we are not only contributing to our jobs, but to our country as well. We should be willing to sign our name to every piece of work we do, and to let our friends and co-workers know that we value a job well-done.

God has richly blessed us in this country and it is everyone's responsibility to take care of it. Praying for our country, trusting in God, and performing well in our work are all necessary for us to remain a great nation.

Lord, our God, may your blessings be with us.
Give us success in all we do!
Good News Bible Psalm 90:17
