- If you're married and your estate is worth less than \$1.25 million, there will be no federal estate taxes to pay.
- If you're married and your estate is over \$625,000 net, without proper planning your family may owe federal estate taxes of up to 55%.

- If you become incapacitated, or unable to sign documents, a court may assign a conservator to run your estate as the court sees fit.
