Compuware leads

Compuware leads
Compuware Corporation
announced that International
Data Corporation, an independent market and technology
research firm, reported that
Compuware was the 1997
worldwide revenue marketshare leader for sutomated
software quality [ASQ] tools.
This is a significat f jump from
1999 in which IDC ranked
Compuware fourth overall,

compusure fourth overall, According to the report,

*Development Life-Cycle Managemont: 1998 Worldwide Markets and Trends," Compuwer held a 12.7 percent share of the 1997 ASQ market, up from 7 percent in 1998. The report indicated that although much of Compuwar's success came from its historically strong mainframe offerings, an otable growth in their client-server tools and the acquisition of NuMega significantly contributed to the company's emergence as the revenue emergence as the revenue

leader in the ASQ market.
"Organizations' needs for enterprise-wide, cross-platform testing solutions to consure strong production-ready applications will continue to grow well into the next century, as evidenced by the marketshare growth of our QACenter and NuMega products and services, said Joseph Nathan, president and chief operating officer at Compuware.
