Don't Be A Grouch

Some people may not even realize that they constantly complain or that they are usually in a grouchy mood. No one enjoys being around such a person, who, for no apparent reason, is irritable most of the time. Usually, these people are their own worst enemy, and it must be terrible to have a gloom and doom outlook on almost everything in one's life. The Bible tells us that we are what we confess with our lips, and that if we continually profess and believe negatively that "everything always happens to me," usually we will be right.

Living a positive life and trusting in God not only will improve our disposition, it will also improve our mental and physical well-being. When a person is joined to Christ, he or she becomes a new being. The more we understand the ways of our Lord, the more positive we will become, because we are assured that God loves us and he wants us to be happy.

Therefore if any man be in Christ, he is a new creature; old things are passed away; behold, all things are become new.
K.J.V. 2 Corinthians 5:17
