Grant money

On target: The Farmington Hills Target Department store presented Farmington Hills Police Chief William Dwyer with a grant totaling \$500. The police department plans to use the money to buy materials, brochures and equipment to assist the department's pro-active stance against retail fraud thefts. He expressed his thanks to the Target Corp. and asset protection team leader Tom Witt, who presented the check. Each year, Target contributes 5 percent of its federally taxable income to programs that meet social and cultural community needs. For more information, call Dwyer at (248) 473-9600.

Botsford provides information on Viagra

Is Viagra the newest wonder drug, or are there some important issues being overlooked in all the media hype? That's the topic Botsford General Hospital's HIM (Help for Impotent Men) Support Group in August.

The nation's No. 1 prescription treatment for impotency - reportedly used by over 100,000 men - Viagra will be examined by a panel of experts, including Botsford urologist Steven Roth and Ed

Czarnecki, a therapist and psychologist who specializes in sexual dysfunction. A representative from the pharmaceutical firm Pfizer Inc., the drug's manufacturer, will also be at the meeting. This free HIM Support Group meets at 7 p.m. Tuesday, Aug. 11, at Vladimir's Banquet Hall, 28125 Grand River in Farmington Hills. For more information on HIM, which meets the second Tuesday of every month, call (248) 477-5100.
