Do Something Nice for Yourself

What did you do for yourself lately? Do you take mini-vacations on a regular basis and do something that you really enjoy for yourself? All work and no play can be harmful, not only to ourselves, but to our loved ones around us as well. We sometimes feel that we just don't have the time to sit down to read the newspaper, or watch television for an hour or so, or maybe play a round of golf. We feel a little guilty, because we believe that we have all these things that have to be done. Now don't get me wrong, those of us who are able to work should be expected to do a fair day's work; but, a change of pace by doing something for yourself is important to keep a healthy perspective on life. Little diversions from life's stressful situations can help us to be a healthier and better person. It pleases God when we are good, not only to our neighbors, but also to ourselves. We are temples of the Holy Spirit and we should take care of ourselves. There is nothing wrong with doing something nice for yourself.

Do you not know that you are God's Temple and that God's Spirit dwells in you?
R.S.V. Bible 1 Corinthians 3:16
