Experience Is A Good Teacher

Experience can be a good teacher and may influence one's actions in the future. In addition, the way we behave in many situations may be due to past experiences. You may try to tell a child that something may be wrong or harmful to them, but because they have had no experience in certain situations, your words may fall on deaf ears. Likewise, people in good health may take their well-being for granted until they experience a serious health problem.

As people grow older, they gain experience and knowledge. Our trusting in God, past experiences, and hope for the future are three factors that will help to ensure a fulfilling and happy life. Reading the Bible is a wonderful way to gain knowledge, wisdom, and experience, and it is full of advice and stories that are beneficial to our happiness.

For the Lord gives wisdom; from His mouth comes knowledge and understanding.
Revised Standard Version Proverbs 2:6
