MEETING WAS VERY INTERESTING

NOT LARGE ATTENDANCE AT LADIES' CLUB

Mrs. Hatton of Farmington Was Chosen President. Next Meeting at Rochester

The eleventh annual meeting of the Oakland County Federation of Women's Clubs was held here Saturday, Nov. 18. The number in attendance was less than usual, owing no doubt to the fact of the meeting having been postponed from the date previously set for it, and also on account of the inclemency of the weather, but this fact seemed to detract in no way from the enjoyment of those of the faithful who braved the elements to attend.

The meeting was called to order by the president, Miss Kate Leggett of Drayton Plains. After the invocation by Rev. G. E. Gullen,

president of the local club, welcomed the visitors in a few graceful and gracious words. The regular routine work of the morning session was then taken up.

Miss Leggett in her annual address paid a tribute to Miss Martha Baldwin of Birmingham, who is ill at her home, and was absent for the first time from the annual meeting of the Federation of which she was the founder.

The chief feature of the morning session was the election of officers, which resulted as follows: President, Mrs. M. Hatton, Farmington; 1st vice president, Mrs. C. E. Lockwood, Holly; 2nd vice president, Mrs. Hudson, Milford, recording secretary, Mrs. Gardiner, Royal Oak; corresponding secretary, Mrs. Burr, Rochester; treasurer, Mrs. Craft, Pontiac; members of board of directors, Mrs. Vliet of Clarkston and Miss Kate Leggett of Drayton Plains.

A well rendered trio played by Helen Warner, Murray Moore and Ernestine Pierce and a duet sung by Mrs. Anna Cook and Miss Lou Grace in a most delightful manner enlivened the session.

At 12:30 the club adjourned to the Owen House, where a fine banquet had been prepared by the management of the hotel. The tables were beautifully decorated with carnations and ferns, while an orchestra—discoursed delightful music during the hour. After dessert the following toasts were given: "Mostly Women," Mrs. Moore of Pontiac, and "The World Versus the Home," Mrs. Hatton, Farmington. Mrs. Bertha Steele, Farmington, acted as toastmistress in a very pleasing manner.

The afternoon session was opened at 1:30. The reports of the various committees were interspersed with music—a piano solo by Mrs. Dohany, a violin solo by Miss Agnes Goucher and a recitation by Miss Lavilla Adams, which added much to the enjoyment of those present.

An especially interesting feature of the session was a paper read by Mrs. Haas of Holly, entitled, "Mother and Child." Mrs. Haas urged upon all mothers to gain the confidence of the child at an early age and that it was the sacred duty of every mother to impart the knowledge which every child will sooner or later learn, often from an impure source, and thus protect it from introduction into sin and misery.

The most interest displayed during the day was that taken in the rest room problem which like Banquo's ghost will not down. The discussion over the matter was long and earnest. It is certainly to be hoped that the fears entertained by some that the appropriation for the maintenance of a matron will be withdrawn by the supervisors will not be realized. A committee of five ladies were appointed to confer with the board at the January meeting to present their views on the matter. The ladies named were Mrs. Cleary, Mrs. Craft, Mrs. Losee, of Pontiac, Mrs. Moore of Farmington and Mrs. Kidder of Royal Oak.

After singing, "Michigan, my Michigan," the club adjourned. Rochester has been chosen as the next place of meeting.

Mrs. Nina Whipple attended a luncheon and "soo" party at Northville last Saturday, when Mrs. Lizzie M. Harger of that place entertained about 50 friends.

Attention, F. & A. M.—The annual meeting of Farmington Lodge, No. 151, F. & A. M., will be held Saturday, Dec. 4. This being the occasion for the election of officers and the payment of dues, a large attendance is desired.

J. H. THAYER, Sec'y.

SOME FACTS FOR THE VOTERS

MUST CONSIDER EXPENSES ALREADY INCURRED

Three or Four Thousand Dollars in Work and Material

While there seems to be no open objection to the bonding proposition for a water system there are a few facts in relation to the second election that perhaps ought to be put before the voters at this time in order that there may be no misunderstanding when they go to the polls next Tuesday to cast their ballots for the second time for or against the measure.

At the previous election the vote was overwhelmingly in favor of water works, the vote standing 128 for the proposition to 23 against. However, there is now another reason why the election should carry in favor of bonding in addition to all that have been considered heretofore.

The village council has incurred considerable expense in the matter that either has been met or must be, and as near as the writer can estimate it amounts to somewhere between \$5,000 and \$4,000. Besides the purchase of the lot and the cost of the work on the well and the foundation of the building, orders were placed for hydrants, water pipe and various other needed materials and they will have to be paid for whether used or not.

Therefore it seems that there is only one thing to do and that is to again vote the water proposition through, just as it was done before, except that there should not be 23 votes against it this time. We honestly believe that there will not be even one negative vote.

It is unfortunate that it is necessary to bring the matter before the people for the second time, but it seems that bond buyers are very particular people and all the proceedings relating to an election of this character must be legal and correct to the very least technicality.

While the attorney who drew the first election papers still insists that they meet all the requirements of the law, inasmuch as the men who made the best bid for the bonds were not satisfied with the proceedings it is thought best to do it all over rather than to attempt to sell to others and perhaps take a much less favorable offer.
