MILD. GENTLE LAXATIVE FOR WOMEN GIVEN FREE

So many of the ills of women are due to habitual constipation, probably because of their false modesty on the subject, that their attention cannot be too strongly called to the import of the subject, that their attention cannot be too strongly called to the fall of the subject of the subjec

Pepsin. It is woman's favorite laxa-tive. You will find that you can de away with salts, strong catharties etc., which are entirely unsuited to woman's requirements.

always important to the sepecially register of the see, but: it is especially register of the see, but: it is especially register of the see, but it is especially register of the see, but it is especially register of coming through healthy it of see, and other seems of the seem
