We're a whole lot closer to home.

Lawn mowers.
Snowblowers.
The machines of summer and winter that show you care about your home.
They're great to have.
Until the day they don't start, or worse yet quit right smack in the middle of the job.
Hometown Classifieds can help. Find a local fix-it person or the people who are moving to apartments who have placed ads for good used machines.
You'll find folks who are right in your backyard—just a quick drive away. And speaking of 'quick,' it's really quick to check out our classifieds at [oeonline.com](http://www.oeonline.com) anytime of the day or night.

So, if your mower or blower dies, find help from your neighbors in your Hometown Classifieds.
Of course, people have been known to begin looking for a lawn mower and discover a great set of golf clubs or a ski mobile or a lot of other really neat stuff. Hometown Classifieds are like that.
And remember, if you are the one moving to an apartment, remember to sell the things you won't need with a Hometown Classified ad that you won't find anywhere but in the Observer, Eccentric, HomeTown, or Mirror newspapers.
