All of them are offensive-minded play-ers, and I think they'll be scoring a lot of goals for us." both of whom played on the overlast year.

Gerwatowski and junior marking back Stephen Wayne are the most experienced defenders, who will be joined by juniors Chris Hotton and Aaron Turk in the

starting lineup.
Holton, who became a regular
in the second half of last season, will play sweeper, and Turk, who sat out last year after transfer-ring, outside defender. Substituting into the game will be seniors Aaron Muncey,

another returning varsity player, and Sean Murphy, who was on

the JV.

"I'm very confident this group will do a real good job," Juncaj said. "They have a lot of experience back there; they're aggressive and very composed.

"They don't seem to make many mistakes, so I think most games are going to be close. At least I don't see a lot of teams scoring many goals on us."

The Falcons also have a veteran goalkeeper in junior Matt Gasparotto, who started all last year. His backup is sophomore Michael Batkie, who will also play the midfield.

"Gasparotto was very good last year, and I think he's improved; so I expect good things," Juncaj said. "He'll definitely be a key player in our success.

"This year he's shown more leadership in back, which a goalic should. He's also worked on a few things he needed to

Kambouris, who also played in the midfield, is the most experienced players among the for-wards. He had six goals and two

enced players among the forwards. He had six goals and two assists last season. Freshman Matt Konopinski also earned a starting role, and sophomores Adam Lidgey and Nate Meyer, a returning varsity player, will have playing time, too.

"I think we have a lot of speed up front, and we have some aggressive players up there," Juncaj said. "I anticipate them scoring a lot goals for us. "It will be hard to replace Rais. It's going to be hard to fill his shees but, hopefully, these guys together will be able to make up for his absence."

The Falcons start the season Friday in the annual Detroit Country Day Invitational, playing Birmingham Groves at noon.

"With the talent we have, I think we're going to have a decent season," Juncaj said, "but we do play in a very good league; so we're going to have some tough games, and we hope to win most of them."
