

Position change pays for Shamrocks

The season is only two games old but Detroit Catholic Central senior Ken Toporek is making coach Dana Orsucci look like a genius.

Orsucci moved Toporek from marking back to forward and the result has been seven goals in the first two games, including all five in a 6-0, season-opening win Saturday over Riverview Gabriel Richard.

The Shamrocks beat Ann Arbor Pioneer, 6-0, on Tuesday at Whitman Field in Livonia, improving to 2-0 heading into today's game against Observeland power Livonia Churchill.

and Chargers in the non-league game is 4 p.m. at Whitman Field in Livonia.

"Ken was just incredible; he had the game of his life (Saturday)," Orsucci said. "He pretty much did whatever he wanted to do out there. All were great goals, highly skilled. One was on a header, one on a breakaway, another on a header, one from 20 yards out, another from 12. We had nice buildups, nice crosses, nice touches, and he just finished everything that came his

way. It was utter domination on his part."

Enrning assists were Patrick Griffin, Matt Epoca, Skylar Swicki and Jason Waterstradt.

In the win over Pioneer, Griffin and Toporek scored two goals each. Josh Brooks and Sean Lanigan contributed one goal apiece and three players collected one assist each: Brooks, Griffin and Lanigan.

Eric Sullivan, who played 65 minutes in net, and Ryan Kool continued on the shutout.

"It was a great effort; overall, we played with intensity and heart, and we wanted it from the get-go," Orsucci said. "Eric Sulli-

van was absolutely phenomenal tonight. He was covering the net extremely well."

"The team is pretty fired up. We'll take it day by day, practice by practice. It's going to be an extremely competitive, hard-fought game on Thursday against Churchill."

BROTHER RICE 4, CHIPPEWA VALLEY 0: Four players scored for Rice as the Warriors (1-0-1) notched their first victory Tuesday. Scoring were senior forward Kurt Denocki, senior forward Amer Ghaffar, junior midfielder Matt Clancy and senior defender Brian Borshed. Stating the shutout in goal were Mike Timlin (two saves) and Chris Wilson (two saves).

even game. It was a game we could easily have won with a little luck, but things didn't go our way in that game."

Juncal is optimistic about the prospects for the season ahead based on the initial results.

"We have a very solid squad here, and the key is for us to stay healthy," he said. "If we do that, I think we can play with anybody."

The Raiders scored barely more than two minutes into the game when Eric Phillips passed to Glen Hearn, who sent it into the corner for Andrew Hinchaway.

The opposing keeper came out to meet Hathaway and cut down the angle. When the keeper went down, Hathaway sent the ball over him into the goal.

"That took the crowd out of it real quick," Moteyev said.

North made it a 2-0 game five minutes later when Hathaway scored again with an assist from Mike Leach. Hathaway's crossing shot deflected down off the crossbar and into the goal.

Jim Gabriel centered to Brian Horr, who bent two defenders in the middle and shot the ball from 20 yards to give the Raiders a 3-0 lead.

The Lakers scored after the Raiders were caught on their heels in transition, according to Moteyev. West Bloomfield closed

the gap to 3-2 with six minutes left in the first half.

North regained a two-goal advantage little more than two minutes later. Horr went one-on-one with the goalie and fired a hard shot behind him for the goal. Hathaway assisted on the play.

"The second half was mostly a midfielders game," Moteyev said. (Gjon Djokaj, Phillip, Jarret Kruse and Dan Shumer were defensive standouts for the Raiders, he added.

"(Shumer) is only about 5-foot-4, and they kept throwing big players against him, hoping to wear him down," Moteyev said. "But he's real quick and he didn't get bent over there."

The Raiders won their fourth in a row Saturday, 3-1 over visiting Milford. Horr scored the first two goals and Hathaway the third.

Kruse headed the ball to Horr, who dribbled in for the first goal.

After Djokaj was fouled in the box, Horr's shot bounced off a defender in the Milford wall and past the keeper.

Hearn passed up the middle to Hathaway, who dribbled in on the goalie and popped the ball behind him.

Milford averted a shutout with 45 minutes left, scoring off a corner kick.

The Raiders had an 8-5 edge in shots and 6-3 in corner kicks. North goalie Mike Buchwald made a big save with the Raiders up 2-0.

The Milford player got within six yards of the goal and made a shot to the corner where Mike wasn't, Moteyev said.

"Mike dove and got a hand on the ball and deflected it. How he saved that was one for the highlight film. He's well trained as a goalie, and he's going to make a big impression on a lot of people."

Raiders improve to 5-0

North Farmington remained undefeated in the early season with a 4-2 victory Monday over host West Bloomfield.

"We were outmatched size-wise again," North coach Ron Moteyev said. "But we're a quick, good ball-possession team. We're not very big, but we make the most of our opportunities."

"We really got in their face. We pressured their defense and were able to pick off the ball several times."

GIRLS TENNIS

Marlins remain successful with younger lineup

Club in Ann Arbor, has played a lot of SEMTA and USTA junior tennis.

"We were real excited to find out she was coming to Mercy," she said.

Sophomore Lauren Davidson and senior Ann Stacey were doubles players last year at different flights but have moved up to Nos. 3 and 4, respectively. Both are playing well, according to Kramer.

"We have a lot of young talent that is really working hard and filling in those gaps, probably more than we expected they would."

The Marlins, who lost only one dual meet to Catholic League champion Birmingham Marian last season, have started 3-0 this year with wins over Dearborn, Pontiac Notre Dame Prep and Grosse Pointe North.

"Even some of the girls on the team thought it would be rebuilding year," Kramer said, "but once we started practicing and saw how much the girls had improved our eyes started to open."

"(The win over GPN) was a big, big boost. Last year we beat them and to beat them is a big boost for us. Once we started putting people in this could be a good year."

Sophomore Kriston Palombo played No. 1 singles last year but is being challenged by freshman Angela Kazo, who has played No. 2 in early-season matches.

"We're in a decision-making period right now," Kramer said. "They're switching off and we have to decide what we're going to do for the main part of the season, but Kriston is his right hand."

"Angela is just a phenomenal player. It's nice to have two young, really good players right up at the top."

Kramer added Kuzo, who is a member of the Huron Valley
