

# Garden City's Pummill earns coaching honor

Garden City boys golf coach Ron Pummill and his wife, Justine, have five children, ages 2 through 9.

"That's way over par by today's standards, and the high school sweethearts, 1982 graduates of Garden City West High School, are through — for this century at least."

"Not say this calendar year," said Pummill, though not ruling out an addition in the next millennium. "A big family is awesome. We're both school teachers and we love children and recommend it."

So while Pummill doesn't have a family birth to brag about this year there's another birth he's happy to discuss, though he isn't handing out cigars: The first-ever state meet berth for the Garden City boys golf team.

The Cougars also won a Class A regional and the Mega Conference White Division title under Pummill, the 10th-year coach who has been named the Observerland Coach of the Year.

Pummill was a nine-letter winner at West, which closed its doors after merging with East to form Garden City High the year after Pummill graduated.

Pummill played golf, basketball and baseball in high school, the former being a "warm-up" for his two favorite sports.

"Golf for me was something to do before the basketball season," he said. "Now golfers come out to play better, compete and get better scores."

Garden City seniors Brian Harnos and Dan Evans are two of the players named to the All-Observer first team and senior, Matt Veccheta is a member of the second team.

Pummill is hoping the senior class that led the Cougars helps start a tradition of excellence with the golf program, which has won two of the last three White Division titles.

"This year's team was truly a pleasure to coach," said Pummill, a physical education teacher and athletic director at Garden City Junior High. "I am proud of the way this team conducted themselves throughout the season. The guys were gentlemen on and off the course."

## BOYS GOLF

### ALL-AREA FIRST TEAM

**Even Currie, senior, Bedford CC:** Currie is a repeat selection to the first team, making two-straight trips to the state meet.

He was a Catholic League Meet champion with a round of 74 at St. John's Golf Course in Plymouth after placing seventh the year before.

He qualified for the state meet with a round of 79 at the regional at Links of Pinewood. He fired a round of 81 at the state meet, which didn't make the top 20, but he did make the top 20 for the second day at El Dorado Golf Course in Mason.

Currie had a 38.5 average for nine holes, including a six-under par 35 in a dual meet against Warren DeSales at Cretin's Golf Course.

A captain, he carries a 4.1 grade point average. He's leaning toward studying engineering at Virginia Tech, where he expects to be a member of the golf team.

Early in the year he recorded a round of 73 at the East Lansing Fall Classic, a regional tournament at Forest Akers Golf Club.

"He's quite a young man, just a joy, not only to coach but a great individual," CC coach Bill Hayes said. "He's never really down. Winning the Catholic League Meet was quite a feat for him. He hit the ball a lot longer this year and was a lot tougher minded after a year's experience on the varsity."

**Matt Bartnick, sophomore, Stevenson:** It was a breakthrough season for Bartnick, who took medalist honors at the Division I regional at the Links of Pinewood with an average 72.

At the state meet, held at El Dorado in Mason, Bartnick finished among the top 20 players after shooting a two-day total of 156 (79-77).

In the Western Lakes meet held at Links of Pinewood, Bartnick took runner-up honors with a 60.

Bartnick averaged 38.4 per nine holes in dual meets where he was medalist twice, including a low of 34 against Livonia Churchill. He was also medalist twice.

"By virtue of his his post-dual match competition, Matt was our MVP," Stevenson coach John Wagner said.

**Scott Wolfe, sophomore, Stevenson:** Wolfe also broke through in 1999 winning the WIAA title with a 79 at Links of Pinewood. He also took the WIAA's Scholar Athlete Award.

Wolfe took dual meet medalist honors three times, including a low of 35 against Westland John Glenn and North Farmington. He also was co-medalist twice. His nine-hole average was 38.5.

At the Pinckney Invitational, Wolfe shot a 7-over 74 to finish fourth.

"Scott was our Most Improved Player as he dropped over three strokes from his '98 average," Wagner said. "He also

led our scorers using the dual-match season.

"Both Scott and Matt will be tough to beat in their junior and seniors years. I can't wait to see these skillful, competitive golfers in action next season."

**Randall Boboige, senior, Churchill:** The fourth-year varsity performer and Charger co-captain qualified for the state meet at El Dorado in Mason where he shot a two-day total of 163 (79-84).

At the regional, held at the Links of Pinewood, Boboige shot a 79 to earn a tie for third place.

Boboige, who averaged 39.65 per

nine, earned medalist honors four times during the regular season.

"He's showed steady improvement in each of his four years and culminated in him qualifying for the state meet," Churchill coach Kirk Oster said. "Randall had a never-say-die attitude on the golf course. He has a great desire to succeed on the course."

**Nikos Markellos, senior, Thurston:** This was only the second year of golf for Markellos, though you'd never know it by his results.

Described as a "natural" by coach Enal Majeski, Markellos qualified for the

Division II state meet for the second straight year.

Also a team MVP the last two seasons, Markellos recorded an even par 74 at Rainton Valley Golf Course in Tecumseh, leading the Eagles to the team championship.

He had a round of 76 on the first day of state meet action at the Emerald Golf Course in St. Joseph, qualifying him for the second day of action.

Markellos was second in the White Division Meet with a round of 82 at Links of Pinewood and second at the Western Wayne Invitational, scoring 78 at Huron Meadows.

He was Thurston's medalist five times in nine-hole dual meets, averaging 38. Markellos' best nine-hole score was a one-under par 35 in a non-league dual meet against South Lyon at Salem Hills.

"For his second year he's very steady, a super competitor," Majeski said. "He's very confident in what he's doing. He has an all-around game and hits it long when he needs to with great course management."

**Brian Harnos, senior, Garden City:** Harnos was a three-year captain and four-year varsity player for the Cougars. He is a two-time team Most Valuable Player, carrying a nine-hole average of 38.4 this year.

He scored 78 in the White Division Meet, which was won by the Cougars at Kennington Golf Course. He had a round of 78 in the regional at Giant Oaks in Temperance, won by Garden City, and 81 in the first day of state finals competition.

Harnos, who led the White Division in points for the regular season and division meet, shot a round of 80 at the Western Wayne Invitational at Huron Meadows.

"He's only the second three-year captain I've had," Pummill said. "He's a great young man, very respectful, a pleasure to be around. He's as steady as they come. A competitor, he'll give you everything he's got. He's one of the best golfers I've been around."

**Matt Lee, sophomore, Farm. Hanston:** Lee, who won the Junior Optimist state championship last summer, averaged 37.5 strokes per nine-hole dual match and 77.9 in tournament play.

He was the medalist with an 18-hole score of 73 in the Detroit Country Day tournament at Oakland Hills.

Lee also shot 76 (tied for 12th) in the Oakland County tournament, 77 in the Farmington and West Bloomfield Invitationals and 79 in the regional at Huron Meadows (11th).

He also made the Western Lakes all-division team while shooting 86 at the Links of Pinewood.

"He's making the growth I think good golfers should make," Harrison coach Bill Spencer said. "If he improves one to two shots per year, he's going to be right up there."

"He's already established himself regionally and around here. He's right on
