WALLED LAKE SCHOOL SCOPE

Walled Lake

Here is a summary of the Sept. 3 Walled Lake Schools meeting: Student Art Gallery winners, K-12, 1997-98: In May, 1998, the district held its First Annual K-12 Art Gallery Show at the Educational Services Center. The event included a panel display of the art pieces and chamber music by our high school students. At the conclusion, one art piece per grade level was selected to be framed and hung in the ESC in the 300 corridor where it will remain on display until August of 1999. Students were congratulated by letter, and the board of education invited each winning artist

to the September meeting. Winners were: Jason Demick, senior, Western; Aoi Ono, senior, Western; Brian Snokatis, senior, Central; Jensen DeOrlov, eighth grader, Walled Lake Middle; Richard Sinter, eighth grader, Walled Lake Middle; Lauren Weeks, eighth grader, Smart Middle; Gregory Haskins, sixth grader, Twin Beach; David Walters, fifth grader, Wixom; Kara Ford, fourth grader, Twin Beach; Mark Walker, third grader, Hickory Woods; Johnny Dwyer, second grader, Walled Lake Elem.; Morgan Len, first grader, Dublin; John Littlefield, kindergarten, Mary Helen Guest; and the People's Choice, Bobby

Stevens, kindergarten, Walled Lake Elementary.

Golden Apple Awards: Golden Apple Awards were presented to Elaine Hale, satellite supervisor at Dublin Elementary, and David Blatt, teacher at Wixom Elementary. Hale helps make lunchtime in Dublin's cafeteria pleasurable, and is a positive role model for others due to her consistent good nature. Blatt enjoys seeing his students experience the fun of learning. He works with other educators and parents to help students excel in math, creating products with middle and high school students and incorporating the lesson in

the fourth grade curriculum.

"Anytime, Anywhere Learning" project: "Anytime, Anywhere Learning" is a vision for learning with laptops where every student has his or her own laptop computer, uses it like a pencil and paper, can learn anywhere and everywhere, and can produce the caliber of work that would be accepted in boardrooms around the world. The board supported a two-year pilot in the "Anytime, Anywhere Learning" vision, to involve, on a voluntary basis, up to 210 students in year one and 840 students in year

two, with the understanding that the Foundation for Excellence will help subsidize low income families who wish their child to participate in the pilot.

Halloween for Kids party: For the past 13 years, Walled Lake Schools and several of our municipalities have supported the efforts of the Halloween for Kids Committee to provide a party for youngsters in the district as a safe alternative to trick-or-treating on Halloween. The party is held at Western High School, and for the past couple of years, more than 3,000

children and their parents have attended. The committee requested, and received, \$900 from the board, the same contribution as in the previous two years.

Next meetings: The next regular meetings of the board of education will be held at 7:30 p.m. Thursday, October 1, and Thursday, October 15, at the Educational Services Center, 850 Ladd Road, Building D, Walled Lake. Members of the public are welcome to attend.
