No One To Take Care Of

While talking to a woman at our church, she mentioned that her son had just moved out of her home and now she has no one to take care of. She was quite serious and appeared somewhat bothered by this. My first thought was that there are so many people in this world that could use her help, why doesn't she just redirect her efforts toward them? Sometimes we are so involved in our own little world that we forget that there are many people, other than our immediate families, who could use our help. There are many organizations that depend on volunteers. Assisted living and nursing homes, hospitals and churches, would all welcome any volunteer helpers. We all have special talents that we can share with others and not expect anything in return except the joy of knowing that we are helping someone. We are all in the family of God, and by helping others, our Lord will draw us closer together with each passing day. And then one day, we can all be united with Him for eternity in Heaven.

...Love your neighbor as you love yourself.
