Newspapers Are Becoming Feber. That there are fewer newspapers in the United States than there were a year ago is revealed by figured presented in the American Newspaper Annual.

A year ago the number of daily papers was 2,472; the 1912 Annual lats 13 less. New England has lost four dailies, New York four, the indeed of the control of

Refuses Ferry License.
For the first time in the history of
Sarnia the council has refused a license to the Port Buron & Sarnia
Perry Co. It is causing considerable
worry among the hundreds who make
daily use of the boat traffic between
Port Huron and Sarnia. The council
refused a license on account of the
poor service which the company has
been rendering since the cold weather
started, the number of trips now being reduced to a minimum.
