## Worldly Things

Even though we know we can't keep our worldly things forever, we all have personal possessions that we prize and would never give up on our own accord. And although we may keep some of our prized possessions until we die, as the old saying goes, "you can't take it with you." Some people even hate the thought of dying simply because they don't want to give up the material things of this world. The Bible tells us that our hearts will store up where our riches are and that we should store our riches in heaven, where they cannot be taken from us. When accumulating wealth, many people receive regular reports on the value of what they have. Perhaps, if God would send us a quarterly report of what we are storing in heaven, we may have more incentive to save our riches there. But then reason, and we would not get credit for them.

Keep your deeds of mercy secret, and your Father who sees in secret will repay you.

Matthew 6:4
