"The Prince of Egypt," is the
story of two brothers Rameses
and Moses, brought together by
forces they could not control,
and later separated. Rameses is
the otter brother who always
gets at med for the mischief
caused by his younger brother,
Moscile true to its t'blical roots

- the Old Testament story of
Exodus - "The Prince of Egypt"
is entertaining and inspiring
with fantastic special effects.
This isn't a story about an evil
Pharnoh and tortured Moses
who leads his people out of slaventer of the start of the start of the start

h

Egypt, and sentenced to die by Pharaon Seti's decree, is placed in a basket on the Nile River by his mother who prays "there is nothing I can give you except this chance that you will live deliver us to the promised land." Discovered by Pharaon's Queen who delights in her discovery, Moseo is raised with Rameses who will grow up to replace his father as Pharaon. Flashback to the present Moses and Rameses race each other on a wild chariot ride. They get in trouble for the damage they cause to the temples being built by the Hebrews.

age they cause to the temples being built by the Hebrews.

Pharnoh explains one weak link can break the chain of a mighty dynasty, and Ramease, filled with grief, vows to change, setting into a motion a series of events that will forever separate the brothers.

Moses discovers the truth about his father, who decreed the death of all the first-born made Hebrew babies because "the Hebrews grew too numerous, they may have risen against us," he explains to the distraught Moses. "Sometimes for the greater good sacrifices must be made – after all they were only slaves."

Moses, recovered from the shock of learning his true identify from his sister Miriam, a sound on the same of the greater good sacrifices must be made – after all they were only slaves."

Moses, recovered from the shock of learning his true identify from his sister Miriam, a sound on the same of the greater of the grea

tries to look at his life through heaven's eye."

This Moses falls in love, and marries, Tzipporah, a Midianite shepherdess who stands by him as he fulfills his mission – leading his people out of Egypt to the promised land.

Rameses doesn't want to let the Hebrews go. "I do not know your god," he says. "Noither will let your people go.

As the Egyptinns endure God's wrath, you'll find yourself rooting for Moses, but feeling a little sorry for Rameses who still wants 'things to be the way they were before."

"The Prince of Egypt," is a movie you'll want to see with your family, it's the perfect holiday outing. Little children might be frightened by the Egyptian soldiers whipping Hebrews who are laboring at work on the temples, and Pharatoh's death sentence on baby Hebrew boys.

As the filmmakers explain, animation doesn't define this film, the story of two brothers – Moses and Rameses does. It's very story driven.

very story driven.

An all star cast brings the amimated characters to life including Val Kilmer as Moses, Ralph Fiennes, Rameses; Richelle Pfeiffer, Tzipporah; Sandra Bulck, Miriam; Jeff Goldblum, Aaron; Danny Glover, Jethro; Patrick Stewart, Pharanoh Seti; Helen Mirren, The Queen; Steven Martin, Hotep; and Martin, Short, Hoy.

"The Prince of Egypt," is about a scrious subject, but there are lighthearted moments you'll laugh at. You'll be entertained, moved, even to tears, it's an adventure meant to be shared, and talked about.
